VALUE ADDED COURSE ON “EPILEPSY”

Course Overview

This Value-Added Course on Epilepsy is designed to equip nursing students with comprehensive knowledge and practical skills related to the clinical, psychosocial, community, and home-based management of persons with epilepsy (PWE). The course emphasizes counselling, safety measures, legal and social aspects, special situations, and inter-sectoral coordination to promote holistic, stigma-free, and patient-centered care across hospital, family, and community settings.

OBJECTIVES

- 1 Understand the causes, types, and diagnosis of epilepsy.
- 2 Differentiate epileptic and non-epileptic seizures.
- 3 Demonstrate effective seizure management and nursing care.
- 4 Provide counselling and support for patients and families.
- 5 Promote awareness and reduce stigma related to epilepsy.

COURSE DETAILS

- Date** : 20th, 22nd, 27th, 29th & 30th of July 2026
- Venue** : CV Raman Auditorium SDUAHER
- Time** : 8.30 am to 4.30 pm

Duration

Theory: 32 hours
Practical: 10 hours
