2.5.2 Student grievances regarding university examination

Ms. Rose Mariya Biju (Reg. No. 20C0552), a student of 4th Year B.Sc. Nursing, who appeared for exam in June/July 2025 had applied for re-totalling of marks in the Community Health Nursing subject under RGUHS after being declared unsuccessful in the examination. Following the declaration of the re-totalling result, which remained unchanged, a counselling session was conducted for the student. During the session, she was advised and encouraged to appear for the forthcoming examination, and guidance was provided regarding preparation and academic improvement. The student reappeared for the examination. On reappearing, she successfully passed the Community Health Nursing subject, thereby fulfilling the academic requirements prescribed by the university.
